

**“Why can’t everybody be like me?” King Obble Nook wondered.
He wore a purple, polka dot cloak that read, “BE LIKE ME!”**

In the village of Nobble Ook, someone is going to be VERY SORRY!!!!

Hoping I can arouse your curiosity enough to purchase my self-published children's picture book, *The Radiant Rainbow Cap*!

It is magical, with vibrant illustrations and an important message for young children and their parents. I loved writing it, and you will absolutely treasure reading it.

I am so excited to share that *The Radiant Rainbow Cap* is available on Amazon, in both Kindle and paperback formats! And from October 23rd to October 25th, you can read my book on Kindle for FREE! If you like my book, e-mail me at bonniemdj@yahoo.com.
